The income statistics above are of Active GeneWize Independent Business Affiliates who earned commissions during the period of April 1st, 2009 through March 31st, 2010. An Active Affiliate is defined as any person who: (1) executed a GeneWize Life Sciences Affiliate Agreement; (2) has sponsored at least one person; and (3) was paid at least three months between April 1st, 2009 through March 31st, 2010. Certain Affiliates decide to place their business on hold; they are considered inactive and were not counted in this analysis. This income disclosure statement includes only the months in which the affiliates were active as defined above. The average annual income for all Affiliates during the reporting period was \$380. During this period, 65% of all Affiliates received no income at all. The table above represents all income derived from direct commissions, bonuses, and all promotional contests created by GeneWize during the reporting period. The data also includes the product discount value received in lieu of direct commission on up to the first four enrolled Auto Ship clients based on the “Enroll Four and Pay No More” product discount program.

The earnings of the Affiliates in this chart are not necessarily representative of the income, if any, that a GeneWize Affiliate can or will earn through his or her participation in the GeneWize Compensation Plan. Your success depends on your skills, work effort, and leadership. GeneWize does not guarantee any level of income or your success.
